

Communications Group

Purpose

The group produces the Society's newsletters, websites, social media accounts and publications and manages media contacts.

Membership

Hilary Bradley, Ian Green (the Society's Chair), Liz Grosvenor, Tony Turton, Vernon Porter and Wendy Robinson make up the current Communications Group.

Can you help? Anyone who is interested in our work would be welcome; there's always more to be done than we can manage. We'd particularly welcome keen photographers, people with graphic design skills, website and social media experience, press and media experience and additional writers/editors.

Meetings

We meet every 4 to 6 weeks in each other's homes and do quite a lot of business between meetings by email too.

The Group's work

- *Visions* - the Society's newsletter is published in March, July and November. It reports on the latest news and topics in planning and development, transport and travel, local community activity and City and County Council affairs. It also has full details of our programme of walks, talks and visits for the coming 3-4 months. *Visions* is available in print and online.
- Websites and social media - we run four websites for the Society:
 - Oxford Civic Society www.oxcivicsoc.org.uk
 - OxClean www.oxclean.org.uk
 - Oxfordshire Futures www.oxfordfutures.org.uk
 - Walks in Oxford www.oxfordwalks.org.uk
- We also run three twitter accounts @oxcivicsoc,
@Ox_Clean,
@oxfordfutures
- We are just starting an OxClean Facebook page - facebook.com/oxclean.org.uk/
- Email bulletin - our monthly eBulletin gives updates on developing news and upcoming events.

- Books and pamphlets - over the years we have published a wide range of material on significant Oxford issues. See the display at our public talks.
- Press relations.

Next ambition ...

To produce a short video about our work, suitable for our website and of course for YouTube! Can you help?
